**20. Meyring Ranch Alliance Cow-calf**

Jay Meyring 308-232-4650  
4631 380th Road  
Alliance, NE

They have a diversified operation and are really good at what they do. They both farm and ranch. I am not sure how many cows they have, but they raise bulls for Power Genetics as well as feed out the rest of their calves.

They are willing to offer an internship as well as acting as a tour stop and being a job shadow.

**21. Terrell Ranch Hay Springs Cow-calf**

Vern Terrell 308-232-4408  
4412 436th Trail Hay Springs NE 69347

You can say about the same thing of the Terrell ranch, a fairly large family operation who also feed out their own cattle. They offer experience in mob grazing as well as being very low input operations. Brock did an internship with Rex ranches. Vern Terrell is the contact there
