The Nebraska 4-H Foundation truly believes that 4-H provides opportunities for young people that are special. The emphasis on basic values; the commitment to achieving a goal; accepting responsibility for their actions; a desire to be a positive influence in their community; and the high standard of work ethic needed to meet these goals are reinforced in strong basic 4-H programs in every County in Nebraska. It is the desire of the Nebraska 4-H Foundation that every Nebraska youth has the opportunity to benefit from a meaningful experience with caring adults to gain life skills needed to become productive, self-directed members of society. To that end The Foundation is proud to provide funding and recognition for youth and adult volunteers by providing financial assistance to those who have succeeded in gaining the opportunity to represent their club, their county, and their state in national competitions and events.

The Nebraska 4-H Foundation is committed to reimbursing individual participants for up to 80% of the total cost of the trip, including registration fees, transportation expenses, meals and lodging. The remaining 20% of the costs and incidental expenses will be the responsibility of the Individual.

In order to receive the financial support from the NE 4-H Foundation, the 4-Her should:

1) Submit a letter asking for financial support from the Nebraska 4-H Foundation. (Items to include in the request:)
   a) What trip is the request for?
   b) When and where will the trip take place?
   c) The expected cost of the trip?
   d) How did you qualify for the trip?
   e) What skills do you hope to learn or improve (life skills, etc.) during the trip?
   f) What kind of a plan do you have for informing other youth and adults about the trip (digital pictures, power point presentation, speaking engagements to service organizations, etc.)?

2) Complete and submit the estimated budget form for 4-H Judging and Educational Trips and return it to Peggy Jeffries. She will review and send to the Nebraska 4-H Foundation for processing. There will be suggested Guidelines for the number of rooms for each event and contest.

3) Upon return, submit thank-you letter(s) to donors including the Nebraska 4-H Foundation sharing comments about what was learned and accomplished on the trip. These must be done before the final payment will be processed.

4) Submit the Trip Expense Report which is the final financial report including receipts for expenses incurred during the trip and the Trip Report. This should be sent to Peggy Jeffries.
