Equine Welfare Training Short Course:

When: Thursday, May 14, 2015 9:00 am - 4:00 pm MT
Where: Cheyenne County Fairgrounds Sidney, NE
Cost: $50/person
About: This short course is designed to prepare Law Enforcement on conducting investigations concerning neglected and abused horses and laws pertaining to livestock abuse and neglect. Focus will be on the management and treatment of debilitated horses and recognition of grossly inadequate feeding programs, health practices, facilities, and management techniques. Whether you are a novice or a seasoned professional, the investigation seminar will take you step-by-step through the process and make you a more prepared investigator!

Topics: Lectures and Hands-on Training
   - Nebraska Law and the Equine Investigation—Understanding the Criminal Procedures – Learn about advanced investigative techniques, case studies documentation, search warrants, mandatory reporting, etc.
   - Veterinarians Role in Equine Cruelty and Neglect – Euthanasia and disposal, assessing hydration, TPR, basic health check, teeth age check and more!
   - Documenting the Condition of Horses using the HorseBCS app – Check out the new app!
   - Standards of Care – Basics of housing, shelter, feed, water, etc.
   - Is the available feed acceptable or not? – Assessing feed, pastures, space needs, etc. for accuracy

Presentations By:
