

Dear Workshop Participants:

I would like to thank you for registering for the HACCP training workshop in Columbia, Missouri. The workshop is held in Eckles Hall on the University of Missouri – Columbia campus. The workshop will begin at 8 am and will run until 5:00 pm the first two days and from 8 am to 12:00 pm the third day. Eckles Hall is essentially at the SE corner of College Avenue and Rollins Road. College Avenue runs North/South and connects the cross streets of Business Loop 70, Broadway Avenue, and Stadium Boulevard in Columbia. For a detailed look at the location of the HACCP workshop, you may visit the www.missouri.edu website and link to Eckles Hall. You can use the short term parking on the north side of the building to pick up your parking permit. The all-day parking will be in Lot AV-11 which is just south of Eckles Hall and the Agricultural Engineering Building (access is somewhat hard to describe, but we can help you at the check-in desk which opens at 7:30 am).

Local Hotels in Columbia

Almost all major chains have an outlet in Columbia, so selecting one that meets corporate requirements should be a breeze! For the one closest to campus, try the Hampton Inn and Suites (573-214-2222) as it is within walking distance (0.5 mile) of the HACCP Workshop in Eckles Hall. We also recommend any of the following chains as their location on Keene Street is just SE of the I-70 and US 63 junctions with fairly convenient driving access to campus:

Wingate (573-817-0500)

Staybridge Suites (573-442-8600)

Country Inn & Suites (573-445-8585)

Ramada Inn (573-443-4141)

Additional examples of accommodation that are fairly convenient to campus include: Stoney Creek Inn (573-442-6400), Courtyard by Marriott (573-443-8000), Holiday Inn Express (573-442-8034), and Fairfield Inn (573-886-8888)

All chains provide directional advice on their websites.

Have a safe trip to the workshop.
