

Dear Workshop Participants:

I would like to thank you for registering for our HACCP training workshop. This course will be held in the Animal Science Complex on the South Dakota State University campus. Parking will be available on the north side of the building. I have enclosed a map of campus that will help you locate the building. Sixth street is a major street (east-west) running through Brookings. From 6th St., go north on Medary Ave. through campus. The workshop will begin at 8 am and will run until approximately 5:00 pm on each day. You will be provided the room the course will be held in prior to your arrival to the course.

Hotels in the area can be found at <http://www.southdakotahotels.org/> or and are also listed on the next page.

Have a safe trip to the workshop.

Sincerely,

Dr. Dennis E. Burson
Extension Meat/HACCP Specialist
