

Animal Science Alumnus to Serve in Afghanistan.

Tony Roubal (2009 Animal Science BS Graduate), son of Phil and Karen Roubal, is being deployed late this summer to Helmand Province in Afghanistan with the 3rd Battalion, 7th Marines. Tony is the 1st Platoon Commander with Lima Company, 3/7 Infantry Battalion. Coincidentally, another of the three platoon commanders in the company is from Nebraska as well. Pictured with Tony at the Infantry Officer Course graduation, are Tony's brothers, Zane (graduates from UNL next winter) and Clay (will be a freshman this fall) and his father, Phil (1973 Animal Science BS graduate and 1972 UNL Livestock Judging Team Alumnus). Thank you, Tony, for serving your country!
