

Application for 2020-2021 Upperclass Animal Science Scholarships

Eligibility: Applicant must be an Animal Science major expecting to be a full-time student for both fall and spring semester of the coming academic year*. Turn in your application form and a copy of your most recent transcript to the Animal Science Main Office, C203. Deadline for application is **April 1, 2020**. **Application form must be typed and fully completed in order to be considered.**

Note: Students who receive scholarships will be expected to attend and be recognized at the Animal Science Scholarship Reception during the fall semester. Our scholarship donors are committed to student success and enjoy meeting scholarship recipients. Failure to attend the reception without prior approval may result in withdrawal of the scholarship.

Please fill in all spaces with requested information.

Relevant extracurricular activities (clubs, service activities, etc):

If you believe you qualify as a student in need of financial aid, please check below and complete the Free Application for Federal Student Aid (FAFSA) by following the directions below*:

I believe I qualify as a student in need of financial aid.

To qualify for scholarships that are available only to students in need of financial aid, you must complete the Free Application for Federal Student Aid (FAFSA) before **April 1, 2020. Go to www.fafsa.ed.gov and complete the form on-line. First you need a pin number for yourself and a parent. Go to www.pin.ed.gov to obtain a pin number.*

With what species or areas are you most interested in working upon completion of your degree? Please RANK your top 5, with 1 being most important (if very determined to be in one area, need only rank one):

	Beef Cattle: Cow-Calf		Swine
	Beef Cattle: Feedlot		Companion Animal
	Dairy Cattle		Meats
	Horses		Laboratory Work/Research
	Poultry		Other:
	Sheep		

Provide a short biographical sketch (maximum 250 words) of yourself in the space below. Include statements concerning your goals while at UNL and for your career following graduation.

Is one or both of your parents an alum (B.S., M.S., or Ph.D.) of the Animal Science Department at UNL? Yes No

If Yes, please state their name and the year they graduated from UNL:

I give permission to use my name and photograph in publications, Animal Science Web pages or Animal Science news articles:

Yes No

Before you turn in your application, be sure to:

- ✓ Attach a copy of your most recent transcript (available in MyRed)
- ✓ Provide short biographical sketch in space provided above
- ✓ Complete the FAFSA form (if applicable; see above)
- ✓ Indicate permission to use your name and photograph

** Departmental policy states all scholarships selected by the Animal Science Scholarship Committee should be awarded on a semester basis with one-half of the scholarship awarded in the Fall semester and one-half of the scholarship awarded in the Spring semester. If the scholarship recipient does not enroll in the Spring semester they will forfeit the Spring semester portion of the scholarship.*
